## INTRODUCTION

The *Logan-Hocking School District (LHSD) Reopening Plan* represents a collaborative effort from administration, staff, parents, teachers, our local health department, and members of our community, with the health and safety of our students, staff and families as the top priority. This plan was created in response to the need to create a safe and healthy learning environment for our students and staff as they return to school in the midst of the COVID-19 pandemic.

The key details considered are the result of recommendations from the Ohio Department of Health, Logan-Hocking Health Department, Center for Disease Control, and the Ohio Department of Education.

Our plan incorporates three (3) major learning platforms which include ***Schools Open, Remote Learning for K-12, and Digital***. All of these platforms will provide the same curriculum and quality of instruction regardless of the platform the students participate in during the 2020-2021 school year.

Also included in this document are sections to address athletics and student activities, as well as, preschool. These areas have specific guidelines that are required in order to operate and implement in the district.

All plans address and incorporate the delivery of curriculum, health and safety, social- emotional health, special needs, and operational considerations such as transportation, food service, custodial, and support staff.

Please note that this is a fluid document and guidelines may change as prescriptive health orders are updated.

The following pages describe the learning platforms available for our students and provide specific details on the district's plan for creating a safe and healthy environment.

## LHSD Reopening Plan

# COMMITTEE MEMBERS

### CHIEFTAIN ACADEMY COMMITTEE

Brice Frasure

Wendy Garbrandt

John Mulrooney

Tina Shonborn

### RETURN TO SCHOOL COMMITTEE

District Personnel: Monte Bainter, Christy Bosch, Carrie Cook-Porter

High School: Courtney Spatar, Eli Hacker, Noah Straus, Jean Libben

Middle School: Chad Grow, Maggie Gerken, Stacey Ballenger

Elementary: Lisa Van Horn, Jacklyn Sturgel, Jody Kilbarger, Allison

Cassady, J'Dean Vollmer, Heidi Swope

Intervention Specialists Andi Branden, Kris Begley, Beth Martin

Athletics & Activities: Theresa Schultheiss, Jannell Jones, Rhonda

Worthman, Ian Riddlebarger, John McClain, Pam Price

District School Nurse - Kathy Kennard

Transportation: Dennis Morgan & Carol Lehman

Maintenance: EJ Harris/Yancey Roberts-Schein

Food Service: Sonja Hill

LEA: Brenda Lemon

OAPSE #218: Cliff Lester, Debbie Tootle

OAPSE #126.: Rose Jones, Christy Hall-White (Robin Mercer-Sub)

Board Member: Betty Amnah

Parent Representative: Julie Shriner and Vanessa Wolfe Student

Representative: Gracie Swope

Hocking County Health Department: Doug Fisher and Kelly Taulbee

### REMOTE LEARNING COMMITTEE

District Personnel: Monte Bainter, Christy Bosch, Carrie Cook-Porter,

Trina Barrell, Josh Straus, Brice Frasure, Roger Nott

High School: Shari Boggs, Treva Bolton, Melissa Atkins

Middle School: Debbie Heath, Jim Huntsberger, Tammy Smith

Elementary: Becky Hubert, Chris Tate, Tara Montgomery

Intervention Specialists: Brian Thompson, Cassi Putman, Melissa Keck

Athletics & Activities: Theresa Schultheiss

Transportation: Dennis Morgan, Carol Lehman

Maintenance: EJ Harris, Yancey Roberts-Schein

Food Service: Sonja Hill

LEA: Brenda Lemon

OAPSE #218: Lori Klinebriel, Wendy Cook

OAPSE #126: Rose Jones, Christy Hall-White (Robin Mercer-Sub)

Board Member: Mark Barrell

Parent Representative: Janell Swart

Student Representative: Logan Keck

# LHSD Reopening Plan

## PRESCHOOL AND BEFORE & AFTERCARE · **PROJECT SAFE - BEFORE CARE**

Considerations	Resources Needed & Staff	Guidelines <i>(Write in language that can be put into a handbook)</i>	Conflicts & Resolutions	Responsible Person
Arrival	Family Liaisons Checklists Thermometers Sanitized writing utensils	Parents or guardians will complete an at home risk assessment on their child prior to sending to school. Staff will be trained to identify signs/symptoms of Covid-19. Risk Assessment Checklist will be available to all staff. A sanitized writing utensil must be offered for signing students in and out of Project SAFE	Thermometer Time Consistency	Family Liaisons
Student shows symptoms listed on Risk Assessment Checklist	Health & Wellness Room Train Project SAFE staff on the Risk Assessment	Students will be taken to the quarantine room with masks. Staff will supervise students until the parent is notified and the child is picked up. Project SAFE staff notifies the Health Aide to do follow up guidelines with the HCHD	Staff member to supervise the Covid room	All
Sanitation	Available at the liaison table/all occupied rooms.	Students sanitize and/or wash their hands upon arrival and dismissal. Staff will sanitize each occupied space.	Consistency	Project SAFE staff
All staff wearing masks.	Order disposable masks.	Staff will be required to wear masks during their workday Students grades 3 and up will be required to wear masks on school grounds. PreK and up will be strongly encouraged to wear them. HCHD/CDC proximity guidelines will be adhered to by staff	Maintaining mask policy compliance	All
Daily cleaning logged for records.	Need more staff members	Per ODE: During the day childcare providers must follow Ohio Administrative Code 5101:2-12-13 extensive list**	More staff needed coordinate with each building	Site Coordinators
Group sizes and access to multiple rooms in the building to spread out.	Will need to utilize more space within the buildings to keep ratios.	Current ratio by the state is 9:1 We are planning on using dividers. ODE states dividers can be used-must be at least 6 ft high and non-porous materials and then 18 students can be served in a class with 2 adults	Waiting for more guidance with ratios from ODE-could need to hire more staff or purchase dividers	Project SAFE Directors
Partner programming	Partners will need to follow state ratio guidelines & divide into small groups	Current ratio by the state is 9:1 <ul style="list-style-type: none"> <li>Outside visitors will be limited per HCHD/CDC Guidelines and approval of the LHSD administration.</li> </ul>	Partners will be very limited and based on board approval.	Project SAFE Directors
Distance Learning	Organization of materials and ability to communicate with families.	Project SAFE will use the same model from March-May to engage families should all learning be remote during any portion of the 2020-2021 school year. This encompasses weekly check ins, food distribution, family activities and a homework hotline if warranted.	Difficult to engage some families	Project SAFE Directors

## PRESCHOOL AND BEFORE & AFTERCARE • **PROJECT SAFE- AFTERCARE**

Considerations	Resources Needed	Guidelines <i>(Write in language that can be put into a handbook)</i>	Conflicts & Resolutions	Responsible Person
Dismissal	Communication between Project SAFE staff and regular day staff.	Dismissal procedures will be set per building by site coordinators and staff in cooperation with the regular school day procedures.  All students must wash hands before going home.	Define space to meet More Project SAFE staff needed	Project SAFE Site Coordinator
Snack and Dinner	Possibly need multiple classrooms if we are not able to use the cafeteria.	Alternate option: Send home dinners with the student upon dismissal.	Could we send dinners home with the students (check CACFP)	Project SAFE asst director & director meet with Sonja
Recess	Divide the large group into smaller groups and take turns. Signs for Social distancing Sanitation	HCHD proximity guidelines and equipment use will be adhered to by all staff Project SAFE will follow the written document developed at each building which is guided by the <b><i>Recess Planning in Schools</i></b>	Need more staff to separate students into smaller groups Need to designate staff to sanitize after use or ensure custodian performs task after recess	Project SAFE staff
Restrooms & Accessibility to water	Students bring their own water bottles. Disposable water will be provided for children who do not bring their own.	Students will be permitted to carry water bottles Restroom usage will be limited to ensure social distancing Students must wash hands or use hand sanitizer after using the restroom	Consistency/ monitoring	Project SAFE staff
Add a waiver to the registration form stating the parents accept the risk.	Update registration forms.	Similar to the athletic waiver since Project SAFE is not compulsory	Verify with Bricker and Eckler this is appropriate	Directors
Tutoring will be offered in small groups maintaining social distancing	Hire teachers Referral of names of students	Tutoring will begin school after school starts to help facilitate academic gaps occurred during the extended lock down	Parents may not want their children at school for an extended period of time	Project SAFE Directors and Academic Coordinator

## REMOTE LEARNING

### REMOTE LEARNING • STAFFING

Certified staff will report during normal work hours daily. All online programs and content must be able to be linked through Google classroom.

Considerations	Resources Needed	Guidelines <i>(Write in language that can be put into a handbook)</i>	Conflicts & Resolutions
Schedule of live teaching/teacher office hours	One to one computers  Hot spots in each building	<a href="#">Elementary Level</a>  Middle School: <a href="#">MS Remote Learning Schedule</a>  <a href="#">High School</a>	Students without Internet access will be our biggest obstacle. This is addressed through hot spots and our Phase Plan.
Classified staff: during remote learning, what is the role of each classification?	Food for distribution  Cleaning supplies	<p><b>Cooks:</b> Cooks will be preparing for delivery and for students who come into school.</p> <p><b>Aides and Attendants:</b></p> <ul style="list-style-type: none"> <li>● Monitor children of staff</li> <li>● Monitor students who come in who do not have Internet access</li> <li>● Clean bus garage</li> <li>● assist teachers in copying, putting papers and assignments together</li> <li>● Monitor students in the cafeteria and clean up afterwards</li> <li>● Work with maintenance crew to do small, odd jobs that have been previously neglected</li> <li>● Cleaning up closets and storage areas</li> <li>● Work with art, PE and theater teachers to help clean and organize</li> <li>● Warehouse cleaning</li> <li>● The preschool staff can do their OCCRRA (15-30 hours) hours and school works training</li> <li>● Online training from Carrie</li> <li>● Help pack lunches if help is needed.</li> <li>● If we go into the remote, we can put classrooms back together for next year.</li> </ul> <p><b>Bus Drivers:</b> Deliver food and provide transportation for students without Internet access.</p> <p><b>Administrative Assistants:</b> regular duties</p> <p><b>Custodians:</b> regular duties</p>	<p>Can we ensure each classified employee retains their job?</p> <p>Will delivering food be a better option than picking up food as we offered in April and May 2020? Many parents back to work so pick-up might not be as feasible.</p>

# LHSD Reopening Plan

## REMOTE LEARNING • STAFFING

<p>Childcare for working staff -cost, staffing, locations, MH specific, age limits</p>	<p>Preschool room availability  Separate locations for setting up learning</p>	<ul style="list-style-type: none"> <li>• Preschool students monitored by preschool aides and attendants. Must for 3 and potty trained.</li> <li>• School age children, (up to age 12), of staff members, will be monitored by aides and attendants to ensure work is completed.</li> <li>• Afternoon hours will include time spent with specialists, monitored recess, enrichment activities, etc.</li> <li>• No children permitted in parent classrooms.</li> </ul>	<ul style="list-style-type: none"> <li>• Cost? How do we determine this?</li> <li>• How large will our numbers be?</li> <li>• Can we accommodate all students?</li> </ul> <p>Survey employees after BOE approval to determine need for this service.</p>
<p>Illness of staff member</p>	<p>Google Classroom with knowledge of making videos</p>	<p>10 days of sub enrichment/emergency lessons to be used for staff illness (not remote learning) Shared with the administrator so that s/he can upload to Google classroom should a staff member become ill. Lessons must follow the power standards. These will be completed during August and September In-Service days.</p>	<p>Lessons will not include new content but Power Standard Content. These are the concepts you want all your students knowing and leaving your class with and the type of content that's repeated throughout the year.</p>

**NEXT PAGE: REMOTE LEARNING - ACADEMICS**

# LHSD Reopening Plan

## REMOTE LEARNING • ACADEMICS

Remote learning is providing equivalent virtual access to classes, class content, tests, homework, grades, assessments, and other external resources such as academic or museum website links. It is also a social space where students and teachers can interact through threaded discussions or chat.

Considerations	Resources Needed	Guidelines <i>(Write in language that can be put into a handbook)</i>	Conflicts & Resolutions
How will students receive instruction? How will we reach students who can't get on at scheduled class time?	Google Classroom training Time in August and September to work on this. Lesson plan template	Google classroom--Lesson plan in Google classrooms... <a href="#">using this template</a> so that it is consistent among K-12	New to all and will require training, (already scheduled over 7 days in June and July)
Grading policy	District Grading Policy	Follow district grading policy	Students having the ability to log on and complete assignments. Training of students will help to alleviate the learning gap.
Instruction will be aligned with pacing guides. Students/staff should be able to flow class to remote and back with no loss of instruction.	Pacing guides	Weekly lesson plans will be based on the pacing guides.	
Attendance	Guidance from ODE  Use of Infinite Campus System	Infinite Campus Covid attendance option if the state allows us to track attendance by period not hours. Josh will finalize this plan, (with Leigh Ann) once more information comes from ODE.	Dependent on requirements from ODE
Netiquette expectations for staff and students.		MS/HS-Follow <a href="#">netiquette expectations</a> in student/staff handbook. Elementary will develop a grade appropriate list.	
Students coming in to school	Buses, sanitation procedures, aides and attendants to monitor students	<a href="#">Phasing Plan</a>	Determine who needs to come in vs. who wants to come in. Phasing plan works to resolve...not a full day, not a "normal day, etc.

**CONTINUED ON NEXT PAGE**

## REMOTE LEARNING · *ACADEMICS*

Fulfilling IEP requirements		<p>Small group time each day, videos provided to all students for review, intervention specialists recording of individualized lessons and send modified assignments to meet specified accommodations for IEPs, one-to-one meetings with students to go over targeted goals; Phone and video conferences to hold IEP meetings; digital signature pages.</p> <p>MH students will receive sensory tubs, manipulatives &amp; paper assignments as needed. Intervention Specialists will contact them regularly.</p>	
Parent Google Training		<p>Open house                  Help videos                  Pamphlets</p>	Safe Distancing Measures
At school tech training for seamless transition, Google Classroom especially	<p>Teacher experts                  Computers                  Google Classroom</p>	<p>Summer sessions are being offered on 7 separate dates along with August and September in-service days. These days are to fine tune how to use Google Classroom and how to post lesson plans. These days are also for teachers designing their 10 days' worth of power standard lessons.</p>	<p>Those not attending training will need to "catch up" during in-service days, follow how to documents, videos, etc.</p>

**NEXT PAGE: REMOTE LEARNING - HEALTH AND WELLNESS**

# LHSD Reopening Plan

## PLAN FOR REMOTE LEARNING · HEALTH AND WELLNESS

Considerations	Resources Needed	Guidelines <i>(Write in language that can be put into a handbook)</i>	Conflicts & Resolutions
System for monitoring staff health. Ex. building temp. check with login for staff daily. Distancing and mask policy for staff in all buildings.	Masks Thermometers Check in system Hand Sanitizer Wipes	Staff will be asked to adhere to current CDC guidelines in terms of distancing and mask wearing.	
Self-quarantine coverage procedures. If a staff member is quarantined can they still work from home during this time.		<ul style="list-style-type: none"> <li>• During periods of remote learning, if a teacher is unable to report to the building due to a doctor or health department ordered quarantine, s/he can continue following the remote teaching plan from home.</li> <li>• During periods of remote learning, if a staff member is unable to complete teaching duties due to illness, sick time will be used according to contracted agreement.</li> </ul>	
How do we continue monitoring our at-risk students in a remote setting as it relates to our roles as mandated reporters?		<ul style="list-style-type: none"> <li>• Daily attendance question: “How are you today? Good, fair, not good”, etc.</li> <li>• Target students who did not respond to learning, phone calls, etc. during 19-20 COVID closure to do well checks.</li> <li>• Target students whom we know have at risk histories for well checks in the form of home visits, phone calls, etc.</li> <li>• Use Phase System.</li> </ul>	
Cleaning of areas that staff have been in on a daily basis.	All COVID 19 cleaning supplies	<ul style="list-style-type: none"> <li>• Custodial staff will be required to clean according to CDC and health department guidelines on a daily basis.</li> </ul>	Other classified employees being asked to help with cleaning will also need to be trained according to CDC and COVID cleaning protocols.
Social/emotional learning. How do we get this in for students?		<ul style="list-style-type: none"> <li>• Small group time will allow for times of social/emotional learning.</li> <li>• Office hours, the daily attendance question, hangout meet link in Google classroom</li> </ul>	Additional Google hangouts to focus on social and emotional well-being, organized by counselors, classroom teachers, and Academic Coaching teachers (HS & MS)

# LHSD Reopening Plan

## CHIEFTAIN ACADEMY (DIGITAL LEARNING) • **ACADEMICS**

The *Chieftain Academy* is an alternative to traditional brick and mortar classrooms, and it is sponsored and supported by the Logan-Hocking School District and its Board of Education. The primary goal of the *Chieftain Academy* is to provide a quality education and curriculum to students of diverse needs and backgrounds. The online curriculum provided is aligned with Ohio’s academic standards, with the main component at MS/HS level being [Edmentum PLATO Courseware](#).

Considerations	Resources Needed	Guidelines	Conflicts & Resolutions	Persons Responsible
Application/Placement/Approval	CA Application and Handbook in place.	New students/family must complete CA enrollment application for review/approval. The student/family must have reliable internet access for coursework and online learning.	Communication with resident school principal and counselor. Students with specialized needs or individualized education plans require approval from LHSD Special Services Office.	CA Staff and Resident School Administrators
Attendance		Daily and weekly attendance is kept and reported for online students. Student engagement time is flexible, but needs to be completed each day/week. Students are expected to complete 20-25 hours per week of academic coursework and required to engage with their online instructor each week during assigned time.	Use IC Participation Attendance Option?	CA Staff at each level
Online Engagement		Students can and will be “exited” from <i>Chieftain Academy</i> at the end of an Academic Quarter for non-compliance or lack of engagement.	Attendance Hearings with Attendance Officer	CA Staff and Attendance Officer

# LHSD Reopening Plan

## CHIEFTAIN ACADEMY (DIGITAL LEARNING) · GRADE 4 & UNDER ACADEMICS

The *Chieftain Academy* is an alternative to traditional brick and mortar classrooms and it is sponsored and supported by the Logan-Hocking School District and its Board of Education. The primary goal of the *Chieftain Academy* is to provide a quality education and curriculum to students of diverse needs and backgrounds. The online curriculum provided is aligned with Ohio’s academic standards.

Considerations	Resources Needed	Guidelines	Conflicts & Resolutions	Persons Responsible
Grades 2-4 CA Recommended Capacity of 8	Use of LHSD Online Resources like traditional classrooms	Use of traditional LHSD district educational resources as main component - i.e. Scott-Foresman, EveryDay Math, Lexia, etc. Edmentum PLATO courseware is not available at these lower grade levels, even with instructor customization.	Keep exploring online curriculum that is appropriate at lower grade levels to allow for larger capacity. Not much available -Researched Calvert Learning/Edgenuity?	Tina Shonborn or Additional Online Instructor (TBD)
Grades K-1 CA Recommended Capacity: ?	Use of LHSD Online Resources like traditional classrooms? Instructor?	Not currently available for Grade K-1. Still being explored/developed Use of traditional LHSD district educational resources as main component - i.e. Scott-Foresman, EveryDay Math, Lexia, etc.	Keep exploring online curriculum that is appropriate at lower grade levels. Not much available	Admin Team & Online Instructor (TBD)
Health and Safety	Use of LHSD Developed Checklists and Guidelines	Follow District Guidelines for Health and Safety in Classrooms/Buildings when any in-person meetings take place.	All the same cleaning/sanitizing materials as “traditional classroom” spaces.	CA Staff
